

HOW MEMBERSHIP WORKS

- Captain's Club - \$ 700
- Admiral's Club - \$1500
- Additional boats or jet skis may be added for \$150 each.
- Twin Engine and House boat contracts may vary
- Age or condition of Boat makes no difference

Each level buys both increased availability and decreased service rates.

Our response time ranges from 24 hours as a Captains Club member, to within 6 hours of being called for members of the Admirals Club. (Within the normal business hours of 8AM- 6PM, seven days a week.)
